Match kit – Size guidelines

Sizing for the different kits are listed below. For the majority of the kit it is standard ladies sizes, so a size 10 in the shops means you will be a size 10 or 12 in the kit. For juniors please refer to the measurements if you are unsure what ladies size they would be (they go down to a size 4 so this should cover everyone). They offer junior sizes which are the same measurements as listed below so please use the below grid and state juniors and in the ladies size 4 to 14 only.
