Juniors, Minis and U16s—Results

The juniors, minis and U16s have all had their first fixtures now :

We have two U11 teams entered into the Nonsuch High 5 league and the teams are first and second in the league. The junior U12, U13, U14 and U15 teams had mixed success in their first fixture but all played well. The U16s have played 2 and won 2—well done all our juniors.

First ever under 25 match mainly consisting of our girls at university against Lifeline NC. Next match will be 17th or 18th December, please let Clare or Sophie know if you want to play.

Coach's comment: The start of the season has been a successful one with some solid wins and most importantly some fantastic performances which I can only congratulate you on. However now is the hard part to the season, when the weather starts to become horrendous and injuries spread like wild fire. So for the season to continue on a positive note through to Christmas **I urge you to continue to attend training (if you are not, get your butts down there now!!!)** and really push hard to improve which I see happening every week. Well done so far but let's really now start to dig deep and show what a great club this really is. Bianca.

Thank you Nicki Constant for sending us these lovely photos of one of Hillcrest's founder members Anita Morley, at her wedding earlier this year.

On 22nd October all our netball matches were at home which gave us a great opportunity to support each other and watch some lovely netball. It was also the day after Ella Harris' 3rd birthday so those of us who were there late in the day enjoyed a piece of a lovely birthday cake made by Alice Hogan.
